

Western Pennsylvania Writing Project Continuity Activities Participation Data 2008-2009

Please use this form to document continuing education activities, Fellows Council and working group meetings, and all continuity events and activities, etc. Please use one form for each event or activity. You may submit one form including all meetings of a continuing activity (like working group meetings, inquiry group meetings) giving the starting and ending dates for the period you are reporting and averaging the participation numbers. Please be as accurate as possible, but you may estimate.

The reporting year is September through August. **Please submit data forms after events and periodically for recurring meetings.** Send completed forms to Carolyn Luck, Western Pennsylvania Writing Project, 526 Cathedral of Learning, Pittsburgh, PA 15260 or email to luckc@pitt.edu.
